Message from the President

It is my distinct pleasure to welcome one and all to our 142nd Volksfest (family festival) and to thank you for your support.

The Plattdeutsche Volksfest-Vereen (PVV) is a social and charitable club serving the community and founded the Fritz Reuter Altenheim as a home for aging members of our clubs. We have worked as clubs over the past one hundred years and are still determined to keep helping Fritz Reuter even as our clubs are getting smaller.

Fritz Reuter Altenheim is now a “Continuing Care Retirement Community” that serves people from all nationalities with respect and love. We truly are a community. Please take the time if you can and take one of our scheduled tours of our campus. When you become a member of our community you are taken care of for life, and that is a great relief for many people.

We are again trying our new format of a one day fest. Last year’s was a great success and we plan to try several other fests during the coming year. Your participation in them and suggestions are most welcome. If you see me, let me know of any events you would like to see us try. Your feedback is important to us! We are especially looking for younger members who are looking to keep their German heritage alive or young people looking to experience a different culture. In our changing demographics, we can learn about each other’s cultures with different programs.

The current clubs we now have are a men’s singing chorus, soccer club, a men’s and ladies rifle club. We compete with other clubs which is a wonderful and enjoyable way to experience the sport of marksmanship.

Please consider joining one of our clubs or suggesting one of your own and share our culture and traditions with us. One of our clubs, the Steinauer Club will host a Harvest Beer Festival on November 12, 2016 and don’t forget the Steuben Day Parade in NYC on September 17, 2016. You can go to www.volksfest.org for more information or to contact me.

So tell your friends about us and look for more events in the future!

Prosit!!

Sincerely,

Jeremiah T. Kochler
